(c) If a grievance is not presented within the time limits set forth in this Article (or within any time limits mutually agreed to in writing by the PMSA and City), said grievance shall

be deemed settled on the basis of City's last answer to such grievance. If City fails to provide an answer within the time limits set forth in this Article (or within any time limits mutually agreed to in writing by the PMSA and City), the Grievant may elect to treat the grievance as denied and appeal the grievance to the next step.

(d) The term "work days" shall refer to the days Monday through Friday, inclusive. Saturdays, Sundays and holidays (as recognized by this Agreement) shall not be considered "work days" for any purposes under this Article.

Section 4 – Grievance Procedure

(a) A grievance must be submitted within ten (10) work days following the event giving rise to the grievance or within ten (10) work days of the time the Grievant should have reasonably learned of such event.

(b) Grievances shall be processed as follows:

Step 1

Written Grievance to Department Head/Director

A written grievance shall be submitted to the appropriate Department Head/Director within ten (10) work days of the time the Grievant should have reasonably learned of such event.

The Department Head/Director shall then issue a written answer to the grievance within ten (10) work days of the Department Head/Director's receipt of the grievance at Step 1.

Step 2

Written Appeal to City's Chief Human Resources Officer

If the grievance is not resolved at Step 1, a written grievance shall be submitted to the City's Chief Human Resources Officer [DHR] within five (5) work days of the Grievant's receipt of the Department Head/Director's written answer at Step 1.

The DHR shall then issue a written answer to the grievance within five (5) work days of the DHR's receipt of the grievance at Step 2.

Step 3

Written Appeal to City Manager

If the grievance is not resolved at Step 2, a written grievance shall be submitted to the City Manager within five (5) work days of the Grievant's receipt of the Chief Human Resources Officer's written answer at Step 2.

The City Manager shall then issue a written answer to the grievance within ten (10) work days of the City Manager's receipt of the grievance at Step 3.

Step 4
Written Request for Arbitration

- (a) If a grievance is not resolved at Step 3, the PMSA and the City may within ten (10) work days mutually agree in writing to submit the matter to mediation using the services of the Federal Mediation and Conciliation Service (FMCS).
- (b) If there is no agreement to mediation, the PMSA (and only the PMSA) may file a written request for arbitration with the FMCS within 15 work days of the Grievant's receipt of the City Manager's written answer at Step 3.
- (c) The PMSA shall request a list of seven (7) arbitrators located (or billing from) the State of Florida from the FMCS. The parties shall each alternately strike three (3) names from such list, with the PMSA striking first. The remaining name shall be the arbitrator.
- (d) The arbitrator shall promptly conduct the hearing on the grievance at which both the PMSA and the City shall be permitted to present their evidence and arguments. The decision of the arbitrator shall be rendered in writing with copies furnished both to the PMSA and the City no later than 30 calendar days after the conclusion of the hearing.
- (e) The arbitrator shall limit his/her opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement.
- (f) The PMSA and the City shall each bear the expense of their respective witnesses and representatives. The expenses of the arbitrator shall be borne equally by the PMSA and the City.
- (g) Employees required to testify at an arbitration hearing will be made available without loss of pay by the City. However, whenever possible, employees shall be placed on call to minimize time lost from work and shall return to work upon completion of their testimony.

Article 13
Temporary Assignments

Section 1 – Temporary Assignments

A full-time employee who is temporarily assigned the duties and responsibilities of a position which has a higher pay classification shall be compensated at a rate commensurate with the responsibilities assumed in the higher classification, but in no case shall the temporary adjustment be less than 5%. This provision does not include temporary time due to an employee on scheduled leave. All such temporary assignments must be reported to and approved by the City Manager before a higher rate of compensation can be made. At the conclusion of the assignment, the employee's pay shall revert to the authorized rate established for the regular position.

Section 2 – Temporary Assignments in Excess of 180 Calendar Days

In the event an employee is required to perform duties in a classification higher than that which such employee holds on a permanent basis for a period longer than 180 continuous calendar days, the employee shall be deemed to have been promoted into the higher classification, provided that the employee meets the minimum qualifications for the higher classification.

However, the provisions of this Section shall not apply if the employee is working in the higher classification to replace a City employee whose absence is due to illness or injury and such employee is expected to return to work.

Article 14 **Drug Free Workplace Program**

Section 1 – Development of Replacement Program

The Parties have the right to reopen this Agreement to address the development of a replacement drug free workplace program in the second and third years of the Agreement. Should either party select to reopen the Agreement for those fiscal years, it shall provide the other party with notice of its intent to do so by May 1, 2018 and May 1, 2019, respectively, and the parties will commence bargaining over that issue by June 1, 2018 and June 1, 2019, respectively.

However, no random testing will be conducted of any classification not required under Federal Department of Transportation Rules and Regulations.

Section 2 – Drug and Alcohol Abuse Policy

The City recognizes that City employees are not immune from the problems which face society in general, including alcohol and drugs. While the City does not presently have reason to believe that any employee is abusing drugs or alcohol, the only effective means of avoiding potential problems is through a comprehensive policy directed against alcohol and drug abuse by employees.

The following constitutes a violation of the City's Drug and Alcohol Abuse Policy applicable to regular full-time and regular part-time employees:

- (a) The use of or being under the influence of intoxicants or drugs while on duty.
- (b) The use of or being under the influence of intoxicants or drugs when wearing a City uniform, whether on or off duty.
- (c) The unlawful manufacture, distribution, dispensing, possession and use of any controlled substance including prescription drugs.

(d) Failure to notify the Human Resources Department of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. A violation of the City's Drug Free Workplace Program may subject the employee to disciplinary action up to and including termination.

Section 3 - Definitions

Under the influence of alcohol shall mean testing positive for the presence of alcohol based upon the guidelines of Section 440.101, or 440.102, Florida Statutes, or Florida Administrative Code 38F-8 (unless a stricter standard is authorized by law for a specified job position).

Under the influence of drugs shall mean testing positive for the presence of drugs based upon the standards set forth in Section 440.101 or 440.102, Florida Statutes, or Florida Administrative Code 38F-8 (unless a stricter standard is authorized by law for a specified job position); provided that any statutory standard which is more strict shall apply.

Drug shall mean any controlled substance as defined in Chapter 893, Florida Statutes or any substance defined as a drug in Section 440.102, Florida Statutes.

Section 4 - Testing

All testing for alcohol or drugs shall be undertaken as follows:

(a) There shall be two tests conducted by the City. If the first test is negative, there shall be no second test, unless the City has reason to believe there was some irregularity in the administration or analysis of the first test. The second (confirmatory) test shall be a gas chromatography/mass spectrometry (GC/MS test) or such other equivalent or more accurate scientifically accepted test, at the City's option. It shall be this second, confirmatory test, which shall be the determinant for the City as to whether the employee or applicant was under the influence of alcohol or drugs and which shall trigger disciplinary action against employees and a determination not to hire job applicants.

(b) A sample shall be collected with due regard to the privacy of the individual providing the sample, and in a manner reasonably calculated to prevent substitution or contamination of the sample.

(c) Specimen collection shall be documented and the documentation procedures shall include:

1) Labeling specimen containers to preclude erroneous identification;

2) A form for the employee or applicant to provide any information he/she considers relevant to the test, including identification of currently or recently used prescription or nonprescription medication or other relevant medical information. Such form shall provide notice of the most common medications by brand name or common name, as applicable, as well as by chemical name, which may alter or affect a drug test. The providing of information shall not preclude the

administration of the drug test, but shall be taken into account in interpreting any positive confirmed results; and

3) A consent form.

(d) Specimen collection, storage, and transportation to the testing site shall be performed in a manner which will reasonably preclude specimen contamination or adulteration.

(e) A specimen for a drug test may be taken by any person authorized to do so by *Florida Statutes Chapter 440.102*.

(f) Specimens shall be sufficient for two drug tests as determined by the Department of Health and Rehabilitative Services.

(g) Every specimen that produces a positive confirmed result shall be preserved by the licensed laboratory that conducts the confirmation test for a period of at least 210 days after the results of the positive confirmation test are mailed or otherwise delivered to the employer. However, if an employee or job applicant undertakes an administrative or legal challenge to the test result, the employee or applicant shall have the responsibility to notify the laboratory and the sample shall be retained by the laboratory until the case or administrative appeal is settled. During the 180 day period after written notification of a positive test result, the employee or job applicant who has provided the specimen shall be permitted to have a portion of the specimen retested, at the employee's or applicant's expense at another laboratory, licensed and approved by the Department of Health and Rehabilitative Services, chosen by the employee or applicant; provided that the employee or applicant shall provide notice to the City of his/her desire to undertake such a test within five working days of receipt of the results of a positive confirmatory test or notice from the City that the applicant or employee's timely explanation was unsatisfactory whichever occurs later. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory which performed the test for the employer shall be responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain of custody during such transfer.

(h) Within five working days after receipt of a positive confirmatory test result from the testing laboratory, the City shall inform an employee or job applicant in writing of such positive test result, shall provide a copy of the test result and shall provide a statement of the consequences of such result and the options available to the employee or job applicant.

(i) Within five working days after receiving notice of a positive confirmatory test result, the employee or job applicant may submit information in writing to the employer explaining or contesting the test results, and why the results do not constitute a violation of the employer's policy.

(j) If the City deems the explanation or challenge to be unsatisfactory, it shall provide a written explanation as to why the employee's or job applicant's explanation is unsatisfactory. Such documentation shall be kept confidential as provided by law and shall be retained for

at least one year.

(k) The City shall employ chain-of-custody procedures as established by the Department of Health and Rehabilitative Services.

(l) An applicant whose second test confirms the original positive test result may, at the applicant's expense, have a third test (being a gas chromatography/mass spectrometry (GC/MS test) conducted on the original sample at a laboratory approved by the City.

(m) The City shall pay the costs of the initial and the first confirmation test; the employee or job applicant shall pay for any test which he/she requests. Payment shall be made by the employee upon requesting the test.

(n) Should an applicant or employee fail to request a third test, after a positive confirmatory test by the City, within five days after receiving the notice of positive results from the City or notice of the City's determination that the applicant or employee's timely explanation was unsatisfactory, whichever occurs later, the employee or applicant shall waive any claims to a position lost as a result of the positive confirmatory test. A job applicant shall, in no event, be entitled to a position applied for and filled during any review of positive tests or other challenge.

(o) An employee shall have access to the grievance procedure provided in the Personnel Rules and Regulations or Article 12 of this Agreement.

(p) Upon detecting a false positive error, the City shall notify the laboratory and the Florida Department of Health and Rehabilitative Services of any such error.

(q) The laboratory shall not disclose any information relative to the health or mental condition of the tested employee except as provided by law. The City shall not request or receive from the testing facility any information concerning the personal health, habit, or condition of the employee (other than the drug test results) including, but not limited to, the presence of HIV antibodies in an injured employee's body fluids.

Section 5 - Medications

Section 7 - Drug Testing for Applicants

A drug test will be given to all job applicant finalists for safety sensitive positions as a part of the pre-employment physical examination prior to hiring. A refusal to take the drug test will disqualify the applicant from further consideration for hiring.

Job applicants and employees have the right to consult the medical review officer or testing laboratory for technical information regarding prescription and non-prescription medication.

Job applicants will no longer be considered for employment if their test results have been confirmed positive by the medical review officer subject to the review procedures contained herein.

Section 8 - Current Employee Testing

(a) Testing for Reasonable Suspicion

The City may require a current City employee to undergo drug testing and alcohol testing if there is reasonable suspicion that the employee is under the influence of drugs or alcohol during work hours. "Reasonable suspicion" means an articulatable belief based on specific facts and reasonable inferences drawn from those facts that an employee is under the influence of drugs or alcohol. Circumstances which constitute a basis for determining "reasonable suspicion" may include, but are not limited to:

A pattern of abnormal or erratic behavior or a significant deterioration in work performance,

Information provided by a reliable and credible source,

A work-related accident, that the employee has caused or contributed to,

Direct observation of drug or alcohol use,

A report of drug use, provided by a reliable and credible source, which has been independently corroborated,

Presence of the physical symptoms of drug and alcohol use (i.e., glassy or bloodshot eyes, alcohol or marijuana odor on breath, slurred speech, poor coordination and/or reflexes),

Increased absenteeism,

Substandard work,

Increased disciplinary incidents,

Deteriorating work relationships,

Increased inattentiveness and absentmindedness,

Increased hostility toward the public or other employees,

Frequent need for work breaks,

Evidence that an individual has tampered with a drug test during his employment with the City,

Evidence that an employee has used, possessed, sold, solicited or transferred drugs while working or while on City premises or while operating City vehicles, machinery or equipment, and/ or

Mood swings.

Where testing is based upon reasonable suspicion, supervisors are required to detail in writing on the form available in the Human Resources Department the specific facts, symptoms or observations which formed the basis for their determination that reasonable suspicion existed to warrant the testing of an employee. If the Department Head/Director concurs that sufficient suspicion exists to warrant testing, he/she shall submit his/her findings to the Human Resources Director and a drug test shall be given. If the Human Resources Director is not available, findings may be submitted to the City Manager, Acting City Manager or Risk Manager, in that order.

(b) Testing for Cause

1) Moving-Vehicle Accident -- If an employee causes or contributes to the cause of a moving-vehicular accident that results in more than \$500.00 damage to the City's and/or member of the public's property, the employee must submit to a drug test. Following the drug test, if not under the influence of any controlled substance, the employee may return to work.

2) Non-Moving-Vehicle Accident -- If an employee causes or contributes to the cause of a non-moving-vehicular accident that results in more than \$100.00 damage to the City's and/or customer's and/or member of the public's property, the employee must submit to a drug test.

Following the drug test, if not under the influence of any controlled substance, the employee may return to work.

(c) Routine Fitness for Duty

An employee will submit to a drug test if the test is conducted as a part of routinely scheduled employee fitness-for-duty medical examination that is part of the City's established policy or that is scheduled routinely for all members of an employment classification or group, and approved as a prerequisite by the City.

(d) Additional Testing

Additional testing may also be conducted as required by applicable state or federal laws, rules, or regulations and as set forth herein or permitted by Section 440.102, Florida Statutes.

(e) Refusal to Test

Employees who refuse to submit to an alcohol and/or other drug test may forfeit their eligibility for all workers' compensation medical and indemnity benefits. Refusal to submit to an alcohol and/or other drug test will be considered a violation of a lawful and reasonable regulation or order and insubordination. As such it shall result in separation from the City service.

(f) Employee Status After Test

Following a drug test for reasonable suspicion, accident or injury, the employee cannot return to work until the City receives and reviews the results of the drug test. If the test is negative, the employee shall receive regular salary for hours of work lost.

Job applicants and employees have the right to consult the testing laboratory for technical information regarding prescription and non-prescription medication.

Section 9 - Voluntary Identification

No disciplinary action shall be taken against employees who voluntarily identify themselves as drug users or alcohol abusers, obtain counseling and rehabilitation through the City's Employee Assistance Program (Phone: 979-1611) and thereafter refrain from violating the City's policy on drug and alcohol abuse. The Employee Assistance Program can give information as to other local alcohol and drug rehabilitation programs. However, to be exempt from such disciplinary action the employee must seek counseling and rehabilitation and notify the City of such counseling prior to being asked to take a drug test.

Section 10 - Education

The City shall conduct an annual education program to alert its employees to the dangers of the abuse of drugs and alcohol, the effects of drug and alcohol abuse on job performance and the consequences of such abuse in the workplace.

Section 2 – Responsibility for Return

Upon termination of employment, the employee shall return to the City all uniforms, tools and equipment assigned to him/her in the same condition they were in at the time the employee received them, normal wear and tear excepted. If the employee fails to return any item, or if he/she returns any item in a damaged condition due to causes other than normal wear and tear, the cost of repair or replacement of the item shall be deducted from the employee's final pay check.

Section 3 – Repair or Replacement

The City agrees to repair or replace shoes, prescription glasses, contact lenses or dentures which become damaged or lost through no fault of the employee while the employee is acting in the performance of his/her duties and provided that all safety procedures have been adhered to by the employee. Personal items such as jewelry, personal cell phones, personal beepers, sunglasses, etc., are not covered. Personal watches will be covered up to a maximum of \$50.00.

The employee is required to notify his/her supervisor of the loss or damage immediately, or as soon as possible during the same workday. An incident report must be filled out and signed by the supervisor, and a receipt for the replacement or repair of the item must be attached.

Article 16
Safety and Health

The Performance Evaluation Program presently in use by the City shall continue to be used for employees covered by this Agreement, including the continued use of the performance evaluation form presently used by the City to conduct an annual performance evaluation of its employees.

Section 2 – Performance Evaluation Procedures

The City agrees that any and all employee performance evaluations shall be filled out in ink before the employee signs the form. This agreement does not in any way limit the City's right to alter or discontinue the employee performance evaluation procedures except with respect to filling them out in ink. This provision applies to regular full-time and regular part-time employees (though the City may use different evaluation forms).

Article 19 Employee Discipline

Section 1 – Employee Discipline

- (a) High standards of conduct are expected of employees in order to preserve the City's reputation and to insure an equitable, safe and productive work environment.
- (b) Employee Discipline shall be for Just Cause.
- (c) Employees shall be allowed the presence and representation of a PMSA Chief Steward or Shop Steward and a PMSA Staff Representative during: (1) any investigatory meeting which an employee reasonably believes may result in employee discipline; and (2) any meeting in which employee discipline is imposed.

If City specifically calls a meeting for the purpose of investigation or the imposition of discipline, the City shall apprise an employee of his/her rights under this Section prior to the start of the meeting.

- (d) For purposes of this Agreement, employee discipline shall be limited to the following

personnel actions: Oral or Documented Oral Counseling; Written Reprimand; Suspension Without Pay; Demotion or Termination from Employment.

(e) Employees may be disciplined both for off-duty misconduct and for off-duty misconduct on City premises or property if such misconduct is: (I) unlawful or improper; (II) would tend to adversely impact the employee's relationship to his/her job or co-workers; or (III) brings the City, the City's services, or the City's workforce into disrepute.

(f) No employee shall be disciplined for indebtedness. However, City shall take any action required by court order or applicable law in response to any employee's indebtedness.

(g) Generally, the City will follow a Corrective Discipline System (hereinafter referred to as the CDS) whereby less severe forms of discipline are issued prior to the imposition of more severe forms of discipline when an employee fails to correct his/her work-related performance and/or conduct after being given a reasonable opportunity to do so.

The CDS shall consist of the following steps:

Oral or Documented Oral Counseling

A Supervisor shall notify an employee regarding work-related performance and/or conduct issues and shall inform the employee of the Supervisor's specific expectations for improvement. Counseling shall not be considered employee discipline.

Written Reprimand

If the work-related performance and/or conduct issues continue, the Supervisor shall issue a Written Reprimand. The reprimand shall be documented by a written memorandum indicating the date on which the Written Reprimand was issued, the issue(s) that were addressed, and the Supervisor's expectations for improvement.

Suspension Without Pay

If the work-related performance and/or conduct issues continue, the Supervisor shall meet with his/her Department Director to discuss a Suspension Without Pay. Provided the Department Director is in agreement, a Suspension Without Pay shall be documented by a written memorandum indicating the date on which the suspension was issued, the issue(s) that were addressed, and the Department's expectations for improvement. The written memorandum shall also include the number of days for which the employee is being suspended without pay and the dates of such suspension.

Demotion or Termination

If the work-related performance and/or conduct issues continue, the Department Director shall contact the Human Resources Department and submit a written memorandum recommending that the City Manager either demote or terminate the employee from employment with the City.

A copy of the written memorandum shall also be given to the employee and the PMSA. Upon his/her receipt of the Department Head/Director's recommendation, the employee shall be placed on Administrative Leave With Pay until the City's Manager's action on such recommendation.

An employee recommended for Demotion or Termination from employment shall be entitled to a meeting with the City Manager prior to the City Manager's action on the recommendation, provided that the employee requests such meeting in writing that is received by the City Manager's Office no later than three (3) work days after the employee's receipt of the Department Head/Director's recommendation.

If the employee does not request a meeting with the City Manager within three (3) work days, the employee's right to a predetermination meeting shall be considered waived.

During his/her meeting with the City Manager, the employee (or any representative of the employee's choice) shall present whatever information the employee wishes to be considered by the City Manager before taking any action on the Department Head/Director's recommendation.

The City Manager's decision regarding the Department Head/Director's recommendation shall be final.

All meal periods shall be non-compensated time except as otherwise approved by the Department Head/Director. This Article applies only to FLSA Non-Exempt full-time employees.

Section 2 – Schedule Changes

It is recognized and understood that deviations from the foregoing normal schedules of work will be necessary and will unavoidably result from several causes, such as, but not

Unless necessitated by a declared emergency, employees shall be given 14 calendar days' notice of any permanent change in their normal schedules of work.

City shall not make any temporary changes to a FLSA Non-Exempt employee's schedule solely for the purpose of eliminating overtime.

- (c) FLSA Non-Exempt employee requests to use Compensatory Time shall not be unreasonably denied, i.e., as long as the time off would not unduly disrupt the operations of any City Department.

Section 4 – Rest Breaks

Rest breaks, where applicable, excluding unpaid meal periods, will be determined by the Department Head/Director, taking into consideration the nature of the work performed, the place of the work and environmental conditions. Rest breaks shall be paid for at the employee's regular rate and shall not result in lengthening his/her regular day.

FLSA Non-Exempt employees shall receive two (2) 15-minute rest breaks during a work day, and an unpaid meal period of either 30 minutes or 60 minutes.

Section 5 – Emergency Recall

When emergencies require that FLSA Non-Exempt employees are recalled for duty during their off-duty time (not including work which causes an employee to extend his regular shift), they shall be compensated for actual time worked, but not less than two (2) hours at the overtime rate.

Section 6 – Computation of Overtime

Paid Holiday hours and paid Vacation/Annual Leave hours shall be considered as time worked for purposes of computing overtime for FLSA Non-Exempt employees. All other leave hours, whether paid or unpaid, shall not be considered as time worked for purposes of computing overtime.

- (e) Upon retirement, the City will pay the cost of the medical insurance premium for employees who were hired prior to October 1, 2002 and have worked full-time for the City for at least 10 years, equivalent to what all other employees receive, when a member begins receiving early retirement or full retirement immediately upon separation from the City. Employees hired after October 1, 2002 will receive a monthly stipend of \$12.50 for each year of service towards the cost of the individual coverage upon retirement. The cost

of dependent coverage will be paid one hundred percent (100%) by the retiree.

This benefit is also given to any employee who has worked full-time for the City for at least ten (10) years and is collecting long-term disability payments from a City pension plan or through a City owned insurance policy but is not eligible to retire and collect retirement income. However, the City will continue to pay the same dollar amount toward the long term disability premium that the City was paying on September 30, 1996.

The benefits of the long term disability insurance are sixty percent (60%) of the employee's annual base salary paid until the employee reaches 65 years of age. The benefits of long term disability insurance begin after six (6) months of disability. To assure full benefits, a disability claim should be filed as soon as the disability begins or as soon as possible thereafter. The employee should not wait until the six (6) months is almost up before filing.

(d) If it becomes necessary for an employee to work on a holiday, the employee shall be given compensation in the form of one (1) extra day's pay or a rescheduled paid holiday at the discretion of the Department Head/Director.

Section 5 - Disability Leave

An employee who, through no negligence on his/her part, sustains an injury or incurs an illness which arises out of and in the course of employment by the City of Deerfield Beach and under the Workers' Compensation laws of the State of Florida and requires absence from work shall be eligible for Occupational Disability Leave and compensation in accordance with *Florida Statutes* Chapter 440. Sick Leave accumulations shall be used in cases of negligence.

An employee who is granted Occupational Disability Leave shall receive compensation at the current statutory rate at the time of injury/illness. As per the statute, the first seven (7) consecutive calendar days of being in a non-work status due to the injury or illness are not compensated; however, an employee may use his/her sick leave, or annual leave if sick leave has been depleted, during this seven (7) day period. After 21 consecutive days of being in a non-work status, the first seven (7) days will be compensated as workers' compensation pay and the employee's leave adjusted accordingly.

City's Human Resources Director may approve or disapprove an employee's request for Occupational Disability Leave payment after determining whether the injury or illness is compensable under *Florida Statutes* Chapter 440 and to insure no negligence or violation of safety rules and regulations contributed to the injury or illness. If a claim is denied, a copy of form DWC-12, Notice of Denial, will be filed with the Division of Workers' Compensation as required by *Florida Statutes* Chapter 440.20 and a copy sent to the Department Head/Director, the employee, and the PMSA's Chief Steward. In cases of negligence, an employee's disability compensation shall be reduced by 25% as stipulated in *Florida Statutes* Chapter 440.09(5) which states "if injury is caused by the knowing refusal of the employee to use a safety appliance or observe a safety rule required by statute or lawfully adopted by the division, and brought prior to the accident to the employee's knowledge, or if injury is caused by the knowing refusal of the employee to use a safety appliance provided by the employer, the compensation as provided in this chapter shall be reduced by 25%." An employee may supplement this reduction with accumulated sick leave and annual leave to equal the employee's regular, straight time salary. After sick leave and vacation leave have expired, the employee shall receive only State mandated disability payments.

In addition to the statutory compensation rate at the time of the injury or illness, the City will contribute a supplement that will continue salary to equal one hundred percent (100%) of the employee's regular net earnings at the time of injury for a period of nine (9) months

or until the employee reaches maximum medical improvement (MMI) as determined by the authorized medical physician.

During this period, employees who have been injured on the job and unable to perform his/her regular job duties shall be assigned light duties that are within the restrictions stipulated by the attending physician. Every reasonable accommodation will be made to modify an injured employee's current job duties. However, the nature of certain positions and the needs of the City may not always accommodate this. This light duty temporary work assignment may or may not be in the injured employee's regular assigned department. Risk Management shall monitor the employee's status in conjunction with the City's Managed Care State Board certified assigned case manager, the City Manager, the Department Head/Director, and the Human Resources Director. Upon reaching MMI or at the end of nine (9) months, whichever occurs first, should the employee be unable to return to his/her position at full duty, and no other position is available within the City, the employee shall be placed on pension (if eligible) or be terminated (or resign at the employee's discretion).

The duties and limitations of the disabled employee in order to receive Occupational Disability Leave payments are as follows:

- (1) The employee notifies his/her supervisor immediately upon the onset of symptoms of an injury or illness;
- (2) The employee fully cooperates with the medical advice or corrective therapy of the medical representative as referred to in this Section;
- (3) The employee shall comply with the light-duty policy as described in this Section;
- (4) The employee shall report to an authorized medical representative of the City periodically as the City may require; and
- (5) The employee shall actively seek pension benefits and other benefits, if eligible, upon reaching MMI or at the end of nine (9) months.

Section 6 - Funeral Leave

The Human Resources Director shall grant funeral leave with pay not to exceed 40 hours per incident, with a maximum of two (2) incidents per calendar year to any employee who has rendered satisfactory service with the City. This leave shall be granted upon request in the event of a death in the employee's immediate family.

The employee's immediate family shall be defined as the employee's spouse, son, daughter, father, mother, foster parent, step parent, grandparents, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandchild or any relative living in the same household.

If requested, the employee shall be required to provide the Department Head/Director with proof of death in family as defined before compensation is approved. Funeral leave shall not be charged to annual leave or sick leave. Extensions of the above-stipulated time may be granted by the City's Human Resources Director or by the City Manager. The employee's personal leave (vacation or sick) must be used for an approved extension.

Section 7 - Military Leave

Any employee who presents official orders requiring attendance for a period of training or other active duty as a member of the United States Armed Forces, the Florida National Guard or the State of Florida Reserve may be entitled to military leave of absence with pay for a period not to exceed 17 working days annually. Extended periods of military leave shall be governed by state and/or federal law.

Section 8 - Civil Leave

An employee shall be given reasonable time off without loss of pay when subpoenaed or summoned for jury duty or to appear before a public body or commission in connection with the employee's job duties and for the purpose of voting in local, state and national elections.

If excused and/or released from such service, the employee shall report for his regular employment, provided, however, that at least three (3) hours remain during the regular workday. The employee may be required to provide proof of such civil leave before compensation is approved by the Department Head/Director. Leave for court attendance when the employee is engaged in personal litigation shall be charged to annual leave.

Section 9 - Leaves of Absence Without Pay

(a) Family & Medical Leave Act (FMLA)

In compliance with the Family and Medical Leave Act of 1993, eligible employees are entitled to up to 12 workweeks of unpaid leave for certain family and medical reasons during a 12 month period. Eligible employees are those who have been employed by the City for one year and have worked for at least 1,250 hours immediately preceding the commencement of the leave requested. The employee must not have used all available FMLA leave in the 12 months preceding the date on which the requested leave will begin.

FMLA leave may be taken for any one or a combination of the following: to care for the employee's child after birth; the placement of a child with the employee for adoption or foster care; to care for the employee's spouse, son, daughter or parent who has a serious health condition; for the employee's own serious health condition which makes the employee unable to perform one or more of the essential functions of the employee's job; and/or for qualified exigencies for an employee's spouse, son, daughter or parent who is a member of the Armed Forces on active duty or who is called to active duty in support of a contingency operation, as that term is defined by statute. Leave may be taken for birth or placement of a child only within 12 months of that birth or placement.

An eligible husband and wife who are both employed by the City who wish to take leave for the birth of a son or daughter, for the placement of a child with them for adoption or foster care or to care for a parent with a serious health condition, are limited to combined total of 12 workweeks during any 12 month period. If the leave is requested because of a

serious health condition of the employee's son or daughter, of the employee him/herself, or of the employee's spouse, each spouse is entitled to 12 workweeks of leave.

In addition to the basic FMLA leave entitlement discussed above, an eligible employee who is the spouse, son, daughter, parent or next of kin of a covered servicemember (a current member of the Armed Forces who is undergoing medical treatment, recuperation or therapy or is in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness), is entitled to take up to 26 workweeks of unpaid leave during a single 12 month period to care for the servicemember with the serious injury or illness.

An eligible husband and wife who both work for the City will be limited to a combined total of 26 workweeks for the above-referenced military caregiver leave during any 12 month period.

After all paid leave is exhausted, the City will provide enough unpaid leave to total 12 weeks. This leave is not automatic. It must be applied for on the form provided by the Human Resources Department. A request for leave due to a serious health condition of the employee or the employee's spouse, son, daughter or parent must be supported by a medical certification on the form provided by the Human Resources Department, which form must be completed by the health care provider of the employee's spouse, son, daughter or parent within 15 calendar days of the request. FMLA leave may be delayed or denied until the required certification is provided.

FMLA leave may be taken intermittently or on a reduced leave schedule when medically necessary due to a serious health condition of the employee or covered family member or the serious injury or illness of a covered servicemember. Leave in connection with birth, adoption or foster placement of a son or daughter may not be taken intermittently unless the Department Head/Director and the Human Resources Director agree to such an arrangement. However, the employee may be required to transfer temporarily to an alternate position with equivalent pay and benefits that better accommodates periods of recurring leave than the employee's regular position. The City's agreement is not required for intermittent leave during which the mother has a serious health condition in connection with the birth of the child, or if the newborn child has a serious health condition.

During FMLA leave, the City will maintain the employee's health insurance under the same terms that the coverage would have been provided had the employee not taken the leave. If an employee's contribution is more than 30 days late, the City may terminate the employee's insurance coverage. Prior to such termination, the City will provide written notice to the employee that the payment was not received and that coverage will terminate on a specified date (at least 15 days after the date of the written notice unless payment is received by that date).

The City shall not, however, continue to pay life insurance or other non-health benefit premiums during the unpaid leave.

If an employee voluntarily fails to return from leave, the City shall recover from the employee the cost of health insurance premiums paid by the City for the employee during the leave.

As with other unpaid leave, the employee will not continue to accrue sick leave, vacation or any other benefit.

Upon return to work from Family & Medical Leave, the employee may return to his previous position or may, at the City's option, be placed in a position equivalent in pay, benefits and other terms and conditions of employment. The employee's restoration rights are the same as they would have been had the employee not been on leave. Thus, if the employee's position would have been eliminated or the employee would have been terminated but for the leave, the employee shall not have the right to be reinstated upon return from leave.

If the City has reason to doubt a certification, it may require (at its own expense) that the employee obtain a second opinion from another health care provider who is not employed by the City. In the event of a conflict between the two opinions, the City may require (at its own expense) a third, which shall be binding upon the City and the employee. The third doctor shall be jointly selected by the City and the employee.

The employee is required to provide the City with at least 30 days' advance notice of his/her intention to take FMLA leave when the leave is foreseeable. If this is medically not practicable, the employee must provide as much notice as is practicable.

Prior to returning to work, employees who took FMLA leave due to their own serious health condition may be asked to provide medical authorization for return to work. The Department Head/Director may require employees on leave to report their medical status and anticipated date of return at specified intervals.

(b) Special Leave

The Department Head/Director may authorize leave without pay to a regular full-time employee up to 30 days for reasons which do not affect the City operations. The City Manager may authorize special leave without pay beyond this time, but not exceeding three (3) months for any reason deemed to be in the best interest of the City, except a non-service injury or illness may be extended to one (1) year after accumulated sick leave and annual leave have expired if it does not create a hardship on the departmental work load.

No seniority or other benefits shall be lost because of leave of absences up to 30 days. For leaves of absence over 30 days, an employee cannot accumulate any benefits during that time, except in unusual cases as determined by the City Manager. An employee shall return from an extended special leave (over 30 days) to the same step and salary grade previously held, although the anniversary date shall be adjusted accordingly.

(c) Absence Without Leave

An absence of an employee from duty, including any absence for a single day that is not authorized by a specific grant of leave of absence under the provisions of these rules shall be deemed to be an absence without leave. Any such absence shall be without pay and

may subject the employee to disciplinary action, including suspension, demotion or dismissal in appropriate cases.

The absence of any employee from duty for three successive work days or longer without notice to his Department Head/Director or Supervisor of the reason for such absence and his intention to return, shall be considered in effect a voluntary resignation without notice.

Failure of an employee to report for work at the expiration of a leave of absence or vacation, or upon the physician's return to work release for full or light duty in cases of work related injuries, shall separate the employee from the City's service and shall be considered in effect a voluntary resignation without notice.
