(a) No grievance shall be considered or processed under this Article unless it is submitted within the times limits set forth in this Article. However, IUPAT and City may mutually agree in writing to extend any of the time limits set forth in this Article.

(b) The Grievant shall be responsible for documenting/proving the timely receipt of a written grievance at each of the Steps contained in the Grievance Procedure provided in Section 4 of this Agreement. The appropriate City representative shall be responsible for documenting/proving the timely delivery of a written answer to both the Grievant and IUPAT at each of the Steps contained in the Grievance Procedure provided in Section 4 of this Agreement.

(c) If a grievance is not presented within the time limits set forth in this Article (or within any time limits mutually agreed to in writing by IUPAT and City), said grievance shall be deemed settled on the basis of City's last answer to such grievance. If City fails to provide an answer within the time limits set forth in this Article (or within any time limits mutually agreed to in writing by IUPAT and City), the Grievant may elect to treat the grievance as denied and appeal the grievance to the next step.

(d) The term "work days" shall refer to the days Monday through Friday, inclusive. Saturdays, Sundays and holidays (as recognized by this Agreement) shall not be considered "work days" for any purposes under this Article.

Section 4 – Grievance Procedure

(a) A grievance must be submitted within ten (10) work days following the event giving rise to the grievance or within ten (10) work days of the time the Grievant should have reasonably learned of such event.

(b) Grievances shall be processed as follows:

Step 1

Written Grievance to Immediate Supervisor

A written grievance shall be submitted to the Grievant's most immediate, non-unit Supervisor (i.e., the first Supervisor not included in the bargaining unit covered by this Agreement). The Supervisor shall sign and date the Grievance upon receipt, shall meet with the employee and the employee's IUPAT Representative in an attempt to resolve the grievance, and shall issue a written answer to the written grievance within ten (10) work days of the Supervisor's receipt of the grievance at Step 1.

Step 2

Written Grievance to Department Head/Director

If the grievance is not resolved at Step 1, a written grievance shall be submitted to the appropriate Department Head/Director within five (5) work days of the Grievant's receipt of the Supervisor's written answer at Step 1.

The Department Head/Director/Director shall then issue a written answer to the grievance within five (5) work days of the Department Head/Director's receipt of the grievance at Step 2.

Step 3

Written Appeal to City's Chief Human Resources Officer

If the grievance is not resolved at Step 2, a written grievance shall be submitted to the City's Chief Human Resources Officer [CHRO] within five (5) work days of the Grievant's receipt of the Department Head/Director's written answer at Step 2.

The CHRO shall then issue a written answer to the grievance within ten (10) work days of the CHRO's receipt of the grievance at Step 3.

Step 4

Written Appeal to City Manager

If the grievance is not resolved at Step 3, a written grievance shall be submitted to the City Manager within five (5) work days of the Grievant's receipt of the Director of Human Resources' written answer at Step 3.

The City Manager shall then issue a written answer to the grievance within ten (10) work days of the City Manager's receipt of the grievance at Step 4.

Step 5

Written Request for Arbitration

(a) If a grievance is not resolved at Step 4, IUPAT (and only IUPAT) may file a written request for arbitration with the Federal Mediation and Conciliation Service [FMCS] within ten (10) work days of the Grievant's receipt of the City Manager's written answer at Step 4.

(b) IUPAT shall request a list of seven (7) arbitrators located (or billing from) the State of Florida from the FMCS. The parties shall each alternately strike three (3)

names from such list from said list, with IUPAT striking first. The remaining name shall be the arbitrator.

(c) The arbitrator shall promptly conduct the hearing on the grievance at which both IUPAT and the City shall be permitted to present their evidence and arguments. The decision of the arbitrator shall be rendered in writing with copies furnished both to IUPAT and the City no later than thirty (30) calendar days after the conclusion of the hearing.

(d) The arbitrator shall limit his/her opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement.

(e) IUPAT and the City shall each bear the expense of their respective witnesses and representatives. The expenses of the arbitrator shall be paid in equal shares by IUPAT and the City.

(f) Employees required to testify at an arbitration hearing will be made available without loss of pay by the City. However, whenever possible, employees shall be placed on call to minimize time lost from work and shall return to work upon completion of their testimony.

Article 15

Temporary Assignments

Section 1 – Temporary Assignments

A regular full-time employee who is temporarily assigned the duties and responsibilities of a position which has a higher pay classification shall be compensated at a rate commensurate with the responsibilities assumed in the higher classification, but in no case shall the temporary adjustment be less than 5%. This provision does not include temporary time due to an employee on scheduled leave. All such temporary assignments must be reported to and approved by the City Manager before a higher rate of compensation can be made. At conclusion of the assignment, the employee's pay shall revert to the authorized rate established for the regular position. Any such temporary increase granted shall not affect the employee's eligibility for normal merit advancements on the anniversary date.

Section 2 – Temporary Assignments in Excess of 180 Days

Should a regular full-time employee be required to perform duties in a classification higher than that which such employee holds on a permanent basis, such employee shall not be required to continue such duties for a period longer than 180 calendar days without permanent advancement to the position, except in cases of extended illness or other emergencies as determined by the City Manager.

Article 16

Drug Free Workplace Program

Section 1 – Drug and Alcohol Abuse Policy

The City recognizes that City employees are not immune from the problems which face society in general, including alcohol and drugs. While the City does not presently have reason to believe that any employee is abusing drugs or alcohol, the only effective means of avoiding potential problems is through a comprehensive policy directed against alcohol and drug abuse by employees.

The following constitutes a violation of the City's Drug and Alcohol Abuse Policy applicable to regular full-time and regular part-time employees:

- (a) The use of or being under the influence of intoxicants or drugs while on duty.
- (b) The use of or being under the influence of intoxicants or drugs when wearing a City uniform, whether on or off duty.
- (c) The unlawful manufacture, distribution, dispensation, possession and use of any controlled substance including prescription drugs.
- (d) Failure to notify the Human Resources Department of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. A violation of the City's Drug Free Workplace Program may subject the employee to disciplinary action up to and including termination.

Section 2 - Definitions

Under the influence of alcohol shall mean testing positive for the presence of alcohol based upon the guidelines of Section 440.101, or 440.102, Florida Statutes, or Florida Administrative Code 38F-8 (unless a stricter standard is authorized by law for a specified job position).

Under the influence of drugs shall mean testing positive for the presence of drugs based upon the standards set forth in Section 440.101 or 440.102, Florida Statutes, or Florida Administrative Code 38F-8 (unless a stricter standard is authorized by law for a specified job position); provided that any statutory standard which is more strict shall apply. Drug shall mean any controlled substance as defined in Chapter 893, Florida Statutes or any substance defined as a drug in Section 440.102, Florida Statutes.

Section 3 - Testing

All testing for alcohol or drugs shall be undertaken as follows:

- (a) There shall be two tests conducted by the City. If the first test is negative, there shall be no second test, unless the City has reason to believe there was some irregularity in the administration or analysis of the first test. The second (confirmatory) test shall be a gas chromatography/mass spectrometry (GC/MS test) or such other equivalent or more accurate scientifically accepted test, at the City's option. It shall be

this second, confirmatory test, which shall be the determinant for the City as to whether the employee or applicant was under the influence of alcohol or drugs and which shall trigger disciplinary action against employees and a determination not to hire job applicants.

(b) A sample shall be collected with due regard to the privacy of the individual providing the sample, and in a manner reasonably calculated to prevent substitution or contamination of the sample.

(c) Specimen collection shall be documented and the documentation procedures shall include:

1) Labeling specimen containers to preclude erroneous identification;

2) A form for the employee or applicant to provide any information he/she considers relevant to the test, including identification of currently or recently used prescription or nonprescription medication or other relevant medical information. Such form shall provide notice of the most common medications by brand name or common name, as applicable, as well as by chemical name, which may alter or affect a drug test. The providing of information shall not preclude the administration of the drug test, but shall be taken into account in interpreting any positive confirmed results; and

3) A consent form.

(d) Specimen collection, storage, and transportation to the testing site shall be performed in a manner which will reasonably preclude specimen contamination or adulteration.

(e) A specimen for a drug test may be taken by any person authorized to do so by *Florida Statutes Chapter 440.102*.

(f) Specimens shall be sufficient for two drug tests as determined by the Department of Health and Rehabilitative Services.

(g) Every specimen that produces a positive confirmed result shall be preserved by the licensed laboratory that conducts the confirmation test for a period of at least 210 days after the results of the positive confirmation test are mailed or otherwise delivered to the employer. However, if an employee or job applicant undertakes an administrative or legal challenge to the test result, the employee or applicant shall have the responsibility to notify the laboratory and the sample shall be retained by the laboratory until the case or administrative appeal is settled. During the 180 day period after written notification of a positive test result, the employee or job applicant who has provided the specimen shall be permitted to have a portion of the specimen retested, at the employee's or applicant's expense at another laboratory, licensed and approved by the Department of Health and Rehabilitative Services, chosen by the employee or applicant; provided that the employee or applicant shall provide notice to the City of his/her desire to undertake such a test within five working days of receipt of the results of a positive confirmatory test or notice from the City that the applicant or employee's timely explanation was unsatisfactory whichever occurs later. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory which

performed the test for the employer shall be responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain of custody during such transfer.

(h) Within five working days after receipt of a positive confirmatory test result from the testing laboratory, the City shall inform an employee or job applicant in writing of such positive test result, shall provide a copy of the test result and shall provide a statement of the consequences of such result and the options available to the employee or job applicant.

(i) Within five working days after receiving notice of a positive confirmatory test result, the employee or job applicant may submit information in writing to the employer explaining or contesting the test results, and why the results do not constitute a violation of the employer's policy.

(j) If the City deems the explanation or challenge to be unsatisfactory, it shall provide a written explanation as to why the employee's or job applicant's explanation is unsatisfactory. Such documentation shall be kept confidential as provided by law and shall be retained for at least one year.

(k) The City shall employ chain-of-custody procedures as established by the Department of Health and Rehabilitative Services.

(l) An applicant whose second test confirms the original positive test result may, at the applicant's expense, have a third test (being a gas chromatography/mass spectrometry (GC/MS test) conducted on the original sample at a laboratory approved by the City.

(m) The City shall pay the costs of the initial and the first confirmation test; the employee or job applicant shall pay for any test which he/she requests. Payment shall be made by the employee upon requesting the test.

(n) Should an applicant or employee fail to request a third test, after a positive confirmatory test by the City, within five days after receiving the notice of positive results from the City or notice of the City's determination that the applicant or employee's timely explanation was unsatisfactory, whichever occurs later, the employee or applicant shall waive any claims to a position lost as a result of the positive confirmatory test. A job applicant shall, in no event, be entitled to a position applied for and filled during any review of positive tests or other challenge.

(o) An employee shall have access to the grievance procedure provided in the Personnel Rules and Regulations or Article 14 of this Agreement.

(p) Upon detecting a false positive error, the City shall notify the laboratory and the Florida Department of Health and Rehabilitative Services of any such error.

(q) The laboratory shall not disclose any information relative to the health or mental condition of the tested employee except as provided by law. The City shall not request or receive from the testing facility any information concerning the personal health, habit, or condition of the employee (other than the drug test results) including, but not limited

to, the presence of HIV antibodies in an injured employee's body fluids.

Section 4 - Medications

Section 6 - Drug Testing for Applicants

A drug test will be given to all job applicant finalists for safety sensitive positions as a part of the pre-employment physical examination prior to hiring. A refusal to take the drug test will disqualify the applicant from further consideration for hiring.

Job applicants and employees have the right to consult the medical review officer or testing laboratory for technical information regarding prescription and non-prescription medication.

Job applicants will no longer be considered for employment if their test results have been confirmed positive by the medical review officer subject to the review procedures contained herein.

Section 7 - Current Employee Testing

(a) Testing for Reasonable Suspicion

The City may require a current City employee to undergo drug testing and alcohol testing if there is reasonable suspicion that the employee is under the influence of drugs or alcohol during work hours. "Reasonable suspicion" means an articulatable belief based on specific facts and reasonable inferences drawn from those facts that an employee is under the influence of drugs or alcohol. Circumstances which constitute a basis for determining "reasonable suspicion" may include, but are not limited to:

A pattern of abnormal or erratic behavior or a significant deterioration in work performance,

Information provided by a reliable and credible source,

A work-related accident, that the employee has caused or contributed to,
Direct observation of drug or alcohol use,

A report of drug use, provided by a reliable and credible source,
which has been independently corroborated,

Where testing is based upon reasonable suspicion, supervisors are required to detail in writing on the form available in the Human Resources Department the specific facts, symptoms or observations which formed the basis for their determination that reasonable suspicion existed to warrant the testing of an employee. If the Department Head/Director concurs that sufficient suspicion exists to warrant testing, he/she shall submit his/her findings to the Chief Human Resources Officer and a drug test shall be given. If the Chief Human Resources Officer is not available, findings may be submitted to the City Manager, Acting City Manager or Risk Manager, in that order.

(b) Testing for Cause

Moving-Vehicle and Non-Moving Vehicle Accident - If an employee causes or contributes to the cause of an accident that results in damage to the City's and/or member of the public's property, the employee must submit to a drug test. Following the drug test, if not under the influence of any controlled substance, the employee may return to work.

(c) Routine Fitness for Duty

An employee will submit to a drug test if the test is conducted as a part of routinely scheduled employee fitness-for-duty medical examination that is part of the City's established policy or that is scheduled routinely for all members of an employment classification or group, and approved as a prerequisite by the City.

(d) Random Drug Testing

In addition to employees who are required to submit to random drug testing to be in compliance with state and/or federal regulates, random drug testing will also be conducted for any employees holding mandatory-testing positions as defined in Section 440.102 Florida Statutes.

The City will have a program of random drug testing utilizing a computer-based program that will randomly select employees with no greater frequency than on a monthly basis. No employee shall be randomly tested in excess of three times in any calendar year. The City shall notify the supervisor of reach employee selected for random testing. The supervisor shall be responsible for ensuring that the employee is immediately taken to the

testing site. Random testing will be limited to urine and/or breath analysis.

Section 2 – Responsibility for Return

Upon termination of employment, the employee shall return to the City all uniforms, tools and equipment assigned to him/her in the same condition they were in at the time the employee received them, normal wear and tear excepted. If the employee fails to return any item, or if he/she returns any item in a damaged condition due to causes other than normal wear and tear, the cost of repair or replacement of the item shall be deducted from the employee's final pay check.

Section 3 - Sunglasses

The City agrees to provide 100% UV-protected sunglasses to all full-time and part-time ocean rescue personnel.

Article 19

In-Service Training

Section 1 – Payment for Training

All regular full-time employees required by the City to attend any training and/or health and safety program shall be compensated at their regular rate of pay for the length of time they are required to attend such program and pay for the training.

Section 2 – Training Provisions

The City will make a reasonable effort to give equal opportunity for training to all regular full-time employees in a job classification in the same division. Priority shall be given to seniority by division, by job classification and then to equally distributing training opportunities.

Any training offered or provided by the City shall be made available first on a seniority by division and job classification basis. For example, training pertaining to Maintenance Workers I in the Parks Maintenance Division shall be made available first to the employee who has held the position of Maintenance Worker I in the Parks Maintenance Division for the longest period of time. If such training is optional on the part of the employee and if an employee declines the offered training, it shall then be offered to the next most senior Maintenance Worker I in the Parks Maintenance Division and so on down the line until the available slots for a particular in-service training session have been filled. The next opportunity for training pertaining to Maintenance Worker I in the Parks Maintenance Division shall be offered first to the most senior Maintenance Worker I in the Parks Maintenance Division who has not yet had such training.

One exception to the above is when such training is specific to an individual's work task or specific training needs. In such case, an individual might be referred for training without regard to seniority.

Section 3 – Payment for Certification

Effective on the date of ratification of this Agreement, regular full-time employees who obtain one or more certifications preferred in the job description for his/her position shall receive a one (1) time \$500.00 payment. Each employee shall be limited to only one (1) payment and regular full-time employees who received payment under this provision prior to the ratification of this Agreement are not eligible for another payment under this provision.

Section 4 – ASE Certification

Mechanics who obtain and maintain all ASE certifications required in their job description, shall receive an additional \$10.00 per pay period. Mechanics who obtain and maintain a Master ASE certificate shall receive an additional \$15.00 per pay period.

Section 5 – EMT Certification

Lifeguards who obtain and maintain EMT certification shall receive a 5% increase over their base pay.

Article 20 **Performance Evaluations**

The City agrees that any and all employee performance evaluations shall be filled out in ink before the employee signs the form. This agreement does not in any way limit the City's right to alter or discontinue the employee performance evaluation procedures except with respect to filling them out in ink. This provision applies to regular full-time and regular part-time employees (though the City may use different evaluation forms).

It is specifically understood by IUPAT and the City that any significant revisions to the performance evaluation program shall be subject to collective bargaining.

Article 21 **Employee Discipline**

Section 1 – Employee Discipline

- (a) High standards of conduct are expected of employees in order to preserve the City's reputation and to insure an equitable, safe and productive work environment.
- (b) Employee Discipline shall be for Just Cause.
- (c) Employees shall be allowed the presence and representation of an IUPAT Chief Steward or Stewards during: (1) any investigatory meeting which may result in employee discipline; and (2) any meeting in which employee discipline is imposed.

If City specifically calls a meeting for the purpose of investigation or the imposition of discipline, the City shall apprise an employee of his/her rights under this Section prior to the start of the meeting.

(d) For purposes of this Agreement, employee discipline shall be limited to the following personnel actions: Documented Oral Reprimand; Written Reprimand; Suspension Without Pay; Demotion; and termination from employment.

(e) Generally, the City will follow a Corrective Discipline System (hereinafter referred to as the CDS) whereby less severe forms of discipline are issued prior to the imposition of more severe forms of discipline when an employee fails to correct his/her work-related performance and/or conduct after being given a reasonable opportunity to do so.

The CDS shall consist of the following steps:

Oral Counseling

A Supervisor shall notify an employee regarding any work-related performance and/or conduct issues and shall inform the employee of the Supervisor's specific expectations for improvement. Counseling shall not be considered employee discipline.

Documented Oral Reprimand

If the work-related performance and/or conduct issues continue, the Supervisor shall issue an Oral Reprimand. The reprimand shall be documented by a written memorandum indicating the date on which the Oral Reprimand was issued, the issue(s) that were addressed, and the Supervisor's expectations for improvement.

Written Reprimand

If the work-related performance and/or conduct issues continue, the Supervisor shall issue a Written Reprimand. The reprimand shall be documented by a written memorandum indicating the date on which the Written Reprimand was issued, the issue(s) that were addressed, and the Supervisor's expectations for improvement.

Suspension Without Pay

If the work-related performance and/or conduct issues continue, the Supervisor shall meet with his/her Department Director to discuss a Suspension Without Pay. Provided the Department Director is in agreement, a Suspension Without Pay shall be documented by a written memorandum indicating the date on which the suspension was issued, the issue(s) that were addressed, and the Department's expectations for improvement. The written memorandum shall also include the number of days for which the employee is being suspended without pay and the dates of such suspension.

Demotion or Termination

If the work-related performance and/or conduct issues continue, the Department Director shall contact the Human Resources Department and submit a written memorandum recommending that the City Manager terminate the employee from employment with the City.

A copy of the written memorandum shall also be given to the employee and IUPAT. Upon his/her receipt of the Department Head/Director's recommendation, the employee shall be placed on Administrative Leave With Pay until the City's Manager's action on such recommendation.

An employee recommended for Demotion or Termination from employment shall be

entitled to a meeting with the City Manager prior to the City Manager's action on the recommendation, provided that the employee requests such meeting in writing that is received by the City Manager's Office no later than three (3) work days after the employee's receipt of the Department Head/Director's recommendation.

If the employee does not request a meeting with the City Manager within three (3) work days, the employee's right to a predetermination meeting shall be considered waived.

During his/her meeting with the City Manager, the employee (or any representative of the employee's choice) shall present whatever information the employee wishes to be considered by the City Manager before taking any action on the Department Head/Director's recommendation.

The City Manager's decision regarding the Department Head/Director's recommendation shall be final.

- (u) Suspension or revocation of valid driver's license required for job performance.
- (v) Misuse of City property or neglect with respect to City property.

Section 3 – Exception regarding Serious Misconduct

Nothing contained in this Article shall be interpreted to preclude the City from issuing, and the City hereby expressly reserves the right to issue, appropriate employee discipline up to, and including, termination from employment in response to a first occurrence of sufficiently egregious misconduct by an employee.

Section 4 – Miscellaneous Provisions regarding Employee Discipline

- (a) Documented Oral Reprimands, Written Reprimands, and Suspensions Without Pay shall not be used as the basis for taking the next step of employee discipline after two (2) calendar years from the date of such discipline.
- (b) In considering employee discipline at any step of the CDS, the City shall consider an employee's work record and length of service with the City, as well as the seriousness of the issues being disciplined.

Article 22

Hours of Work and Overtime

Section 1 – Hours of Work

The normal working hours per one-week work cycle for regular full-time employees shall be forty (40) hours which shall exclude any time for meal periods. The hours of work scheduled per day shall be as required and set by the Department Head/Director. All meal periods shall be non-compensated time except as otherwise approved by the Department Head/Director. This Article applies only to regular full-time employees.

Section 2 – Schedule Changes

It is recognized and understood that deviations from the foregoing normal schedules of work will be necessary and will unavoidably result from several causes, such as but not limited to: rotation of shifts, vacation, leaves of absence, weekend and holiday duty, absenteeism, employee requests, temporary shortage of personnel and emergencies. No such deviation shall be considered a violation of this Contract.

Section 3 – Payment of Overtime / Use of Compensatory Time

(a) The City agrees to pay overtime at the rate of time-and-a-half (1-1/2) based on a seven (7) day, forty (40) hour work cycle. The work cycle shall coincide with the weekly pay periods which run from 12:00 midnight on Saturday through 11:59 p.m. on Friday.

(c) Compensatory Time may be given to employees in lieu of the payment of overtime. The accumulation and use of Compensatory Time shall be in accordance with the Fair Labor Standards Act [FLSA]. The accumulation of Compensatory Time shall be capped at eighty (80) hours.

(d) Employee requests to use Compensatory Time shall not be unreasonably denied, i.e., as long as the time off would not unduly disrupt the operations of any City Department.

(e) Accrued Compensatory Time shall be cashed out: (1) when not used within 180 calendar days of the end of the payroll period in which the Compensatory Time was earned; (2) in advance of any change in an employee's hourly rate of pay; and (3) upon an employee's separation from service.

Section 4 – Rest Breaks

Rest breaks, where applicable, excluding unpaid meal periods, will be determined by the Department Head, taking into consideration the nature of the work performed, the place of the work and environmental conditions. Rest breaks shall be paid for at the employee's regular rate and shall not result in lengthening his/her regular day.

Section 5 – Emergency Recall

When emergencies require that members of the bargaining unit are recalled for duty during their off-duty time (not including work which causes a member to extend his regular shift), they shall be compensated for actual time worked, but not less than two (2) hours at the overtime rate. If an employee is called out again within two hours of the time

they were initially called out, they shall receive no additional minimum pay guarantee.

Section 6 – Stand-by Pay

Employees in stand-by status will be provided with one hour of straight time pay for every 24-hour period they are assigned to stand-by status. Employees must be available and ready to report to work to receive stand-by pay. Employees must record their time worked in the same manner as used to report during regular reporting hours.

An employee who is on stand-by status and is called in pursuant to Section 5 above shall receive both stand-by pay and emergency recall pay.

An employee on stand-by must not consume alcohol or take medication/drugs which could impact their ability to respond or perform work.

Should an employee take a call while on stand-by that requires the employee to report to work workplace, it is expected that the employee will arrive at work within a reasonable time of being called out.

Stand-by pay only applies to the Parks Maintenance Division, the Capital Projects and Facilities Management Division, and the Environmental Services Department.

Section 7 – Computation of Overtime

Paid Holiday hours and paid Vacation/Annual Leave hours shall be considered as time worked for purposes of computing overtime. All other leave hours, whether paid or unpaid, shall not be considered as time worked for purposes of computing overtime.

Article 23 Insurance

Section 1 - Life Insurance

The City agrees to provide a natural death benefit life insurance of 100% of an employee's annual salary rounded to the nearest one thousand dollars (\$1,000.00) to regular full-time employees. Said insurance shall have a double death benefit in case of accidental death subject to the limitations of the policy.

Section 2 - Medical Insurance

(a) Effective January 1, 2017, the City shall provide all bargaining unit employees with three different health plan options. Attached as Appendix C is a chart containing the options and the premiums associated with each such option.

(b) Effective January 1, 2018, the City shall provide all bargaining unit employees with dental insurance as outlined in Appendix D.

(c) Effective January 1, 2018, the City shall provide all bargaining unit employees with vision insurance as outlined in Appendix E.

(d) The Parties have the right to reopen this Agreement to address medical insurance

coverage in the second and third years of the Agreement. Should either party select to reopen the Agreement for those fiscal years, it shall provide the Union with notice of its intent to do so by May 1, 2018 and May 1, 2019 and the parties will commence bargaining over that issue by June 1, 2018 and June 1, 2019.

(e) Upon retirement, the City will pay the cost of the medical insurance premium for employees who were hired prior to October 1, 2002 and have worked full-time for the City for at least ten (10) years, equivalent to what all other employees receive, when a member begins receiving early retirement or full retirement immediately upon separation from the City. Employees hired after October 1, 2002 will receive a monthly stipend of \$12.50 for each year of service towards the cost of the individual coverage upon retirement. The cost of dependent coverage will be paid 100% by the retiree.

This benefit continues until the member becomes eligible for Medicare, Medicaid, or TEFRA. This benefit is also given to any employee who has worked full-time for the City for at least ten (10) years and is collecting long-term disability payments from a City pension plan or through a City owned insurance policy but is not eligible to retire and collect retirement income. This benefit is stopped if said individual is no longer in a long-term disability status and is not yet eligible to retire and collect retirement income.

(f) Any employee wishing to opt out of the health insurance coverage provided by the City must provide the City with proof of health insurance coverage elsewhere. Employees with health insurance coverage elsewhere will be paid an amount equivalent to 50% of the City's monthly cost of individual health insurance coverage.

Section 3 - Long Term Disability

Long term disability insurance for all regular full-time employees will be purchased by the City effective December 1, 1994. The City will pay the full premium through September 30, 1996. From October 1, 1996 through September 30, 1997, the employees will pay for any premium increases, if there are increases. However, the City will continue to pay the same dollar amount toward the long term disability premium that the City was paying on September 30, 1996.

The benefits of the long term disability insurance are 60 per cent of the employee's annual base salary paid until the employee reaches 65 years of age. The benefits of long term disability insurance begin after six months of disability. To assure full benefits, a disability claim should be filed as soon as the disability begins or as soon as possible thereafter. The employee should not wait until the six months is almost up before filing.

Article 24

Leaves of Absence

Section 1 - General Provisions

All regular full-time employees shall be eligible to receive the following leave benefits as outlined. Those employees in a provisional emergency, part-time or temporary status shall be eligible only for those benefits required by federal and/or state law or contracts or those benefits approved by the City Manager. All records of leave benefits shall be kept by the Human Resources Department and Finance Division and shall be the official

(2) Upon separation in good standing from the City with ten continuous years or more of regular, full-time service, retirement, early retirement or death, employees (or their beneficiaries, in case of death) may receive compensation at their ten regular pay rate for half of their full amount of accrued sick leave (up to 750 hours pay-out). Employees with less than ten years of employment will not be eligible for the pay-out of accrued sick leave, except if laid off. Laid off employees will be eligible for pay-out with or without ten years of service.

Employees hired before the ratification of this contract who terminate their employment with ten or more years of continuous, regular, full-time service may be paid for no less than the amount of sick leave in their account at the time the contract was executed, provided they still have that much in their account. Below are some examples for purposes of illustration.

(3) Accumulated sick leave shall be credited once a month and sick leave shall not be paid in advance of being earned.

(4) Accumulated annual leave may be used as sick leave after all accumulated sick leave has been exhausted.

(d) Sick Leave Donation – the parties agree to discontinue any past practice that may have existed regarding a Sick Leave Pool and, in lieu thereof, to provide for employee-to-employee donations of both Sick and Annual Leave upon approval of the involved Department Director(s)/Head(s).

Section 3 - Annual Leave

(a) Definition

Annual leave may be granted for the following purposes subject to the approval of the Department Head/Director and Human Resources Division.

- (1) Vacation leave.
- (2) Absence for transaction of personal business which cannot be conducted during off-duty hours.
- (3) Religious holidays other than those designated by these rules as holidays.
- (4) For uncovered portion of such leave, once such leave has been exhausted through illness.
- (5) Any absences from work not covered by other types of leave established.

(b) Computation

- (1) It is the intent of the City for employees to take their annual leave accumulated in or following the annual period in which it was earned. Therefore, for employees hired after final contract ratification, the maximum annual leave (maximum determined by length of service) accumulation will become the amount of annual leave accumulated in a 24 month period. Current employees who have accumulated more than the amount of annual leave accumulated in a 24 month period will have three years to drop to the new maximum.

Employees will drop down to the amount of annual leave accumulated in a 24 month period in two steps. On July 1, 1996, the maximum vacation accrual will become the amount of annual leave accumulated in a 30 month period. By January 1, 1998, the maximum vacation accrual will become the amount of annual leave accumulated in a 24 month period.

- (2) Annual leave shall be accrued and taken on an annual basis in accordance with the following schedule:

Years of Service	Leave Accumulated Annually Hours
less than 1 year	8 hours per month
after 1 year through 4 years	96 hours per year
after 5 years through 9 years	112 hours per year
after 10 years through 14 years	136 hours per year
after 15 years	176 hours per year

- (3) Annual leave shall be accumulated on a pro-rated monthly basis and can be taken as accrued subject to Department Head/Director discretion. Monthly accumulations shall be made after the last day of the last full pay period in the

month and before the last day of the subsequent pay period. Vacation usage shall be recorded at the end of the pay period during which it was used.

- (4) Annual leave shall not be approved for any employee who has not earned the requested number of days.
- (5) Employees, or their designated beneficiary, shall receive full payment for all accrued leave at the employee's current pay rate upon separation from the City.

Section 4 - Holiday Leave

The following 11 days shall be the days observed by all City employees as holidays and the one (1) personal leave day shall be taken at the employee's discretion with permission of the Department Head/Director (once during each calendar year):

New Year's Day	Thanksgiving
Martin Luther King's Birthday	Day Following Thanksgiving
Presidents' Day	Christmas
Memorial Day	Day Preceding or Following
Independence Day	Christmas as Designated by City Manager
Labor Day	Personal Day
Veteran's Day	

- (a) Holidays falling on a Saturday shall be observed the preceding Friday. Holidays falling on a Sunday shall be observed the following Monday.
- (b) The Department Head/Director may authorize one (1) day's loss of pay for any employee absent immediately prior to or after a holiday, where there is evidence of sick leave abuse.
- (c) If it becomes necessary for an employee to work on a holiday, the employee shall be given compensation in the form of one (1) extra day's pay or a rescheduled paid holiday at the discretion of the Department Head/Director.

Section 5 - Disability Leave

An employee who, through no negligence on his/her part, sustains an injury or incurs an illness which arises out of and in the course of employment by the City of Deerfield Beach and under the Workers' Compensation laws of the State of Florida and requires absence from work shall be eligible for Occupational Disability Leave and compensation in accordance with *Florida Statutes* Chapter 440. Sick Leave accumulations shall be used in cases of negligence.

An employee who is granted Occupational Disability Leave shall receive compensation at the current statutory rate at the time of injury/illness. As per the statute, the first seven (7) consecutive calendar days of being in a non-work status due to the injury or illness are not compensated; however, an employee may use his/her sick leave, or annual leave if sick leave has been depleted, during this seven (7) day period. After 21 consecutive days of being in a non-work status, the first seven (7) days will be compensated as workers' compensation pay and the employee's leave adjusted

accordingly.

City's Chief Human Resources Officer may approve or disapprove an employee's request for Occupational Disability Leave payment after determining whether the injury or illness is compensable under *Florida Statutes* Chapter 440 and to insure no negligence or violation of safety rules and regulations contributed to the injury or illness. If a claim is denied, a copy of form DWC- 12, Notice of Denial, will be filed with the Division of Workers' Compensation as required by *Florida Statutes* Chapter 440.20 and a copy sent to the Department Head/Director, the employee, and the local IUPAT representative. In cases of negligence, an employee's disability compensation shall be reduced by 25% as stipulated in *Florida Statutes* Chapter 440.09(5) which states "if injury is caused by the knowing refusal of the employee to use a safety appliance or observe a safety rule required by statute or lawfully adopted by the division, and brought prior to the accident to the employee's knowledge, or if injury is caused by the knowing refusal of the employee to use a safety appliance provided by the employer, the compensation as provided in this chapter shall be reduced by 25%." An employee may supplement this reduction with accumulated sick leave and annual leave to equal the employee's regular, straight time salary. After sick leave and vacation leave have expired, the employee shall receive only State mandated disability payments.

In addition to the statutory compensation rate at the time of the injury or illness, the City will contribute a supplement that will continue salary to equal 100% of the employee's regular net earnings at the time of injury for a period of six (6) months or until the employee reaches maximum medical improvement (MMI) as determined by the authorized medical physician. The City Manager may, at his discretion, authorize up to an additional three (3) months of salary continuation for a total period not to exceed nine (9) months. The statutory workers' compensation benefits will continue for a maximum of 104 weeks from the date of injury or until MMI is reached.

During this period, employees who have been injured on the job and unable to perform his/her regular job duties shall be assigned light duties that are within the restrictions stipulated by the attending physician. Every reasonable accommodation will be made to modify an injured employee's current job duties. However, the nature of certain positions and the needs of the City may not always accommodate this. This light duty temporary work assignment may or may not be in the injured employee's regular assigned department. Risk Management shall monitor the employee's status in conjunction with the City's Managed Care State Board certified assigned case manager, the City Manager, the Department Head/Director, and the Chief Human Resources Officer. Upon reaching MMI or at the end of six (6) months (nine [9] months with City Manager approval), whichever occurs first, should the employee be unable to return to his/her position at full duty, and no other position is available within the City, the employee shall be placed on pension (if eligible) or be terminated (or resign at the employee's discretion).

The duties and limitations of the disabled employee in order to receive Occupational Disability Leave payments are as follows:

- (1) the employee notifies his/her supervisor immediately upon the onset of symptoms of an injury or illness;
- (2) the employee fully cooperates with the medical advice or corrective therapy of the

- medical representative as referred to in this Section;
- (3) the employee shall comply with the light-duty policy as described in this Section;
 - (4) report to an authorized medical representative of the City periodically as the City may require; and
 - (5) the employee shall actively seek pension benefits and other benefits, if eligible, upon reaching MMI or at the end of six (6) months or nine (9) months with City Manager approval.

Section 6 - Funeral Leave

The Chief Human Resources Officer shall grant funeral leave with pay not to exceed 40 hours per incident, with a maximum of two (2) incidents per calendar year to any employee who has rendered satisfactory service with the City. This leave shall be granted upon request in the event of a death in the employee's immediate family.

The employee's immediate family shall be defined as the employee's spouse, son, daughter, father, mother, foster parent, step parent, grandparents, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandchild or any relative living in the same household.

If requested, the employee shall be required to provide the Department Head/Director with proof of death in family as defined before compensation is approved. Funeral leave shall not be charged to annual leave or sick leave. Extensions of the above-stipulated time may be granted by the City's Chief Human Resources Officer or by the City Manager. The employee's personal leave (vacation or sick) must be used for an approved extension.

Section 7 - Military Leave

Any employee who presents official orders requiring attendance for a period of training or other active duty as a member of the United States Armed Forces, the Florida National Guard or the State of Florida Reserve may be entitled to military leave of absence with pay for a period not to exceed 17 working days annually. Extended periods of military leave shall be governed by state and/or federal law.

Section 8 - Civil Leave

An employee shall be given reasonable time off without loss of pay when subpoenaed or summoned for jury duty or to appear before a public body or commission in connection with the employee's job duties and for the purpose of voting in local, state and national elections.

If excused and/or released from such service, the employee shall report for his regular employment, provided, however, that at least three (3) hours remain during the regular workday. The employee may be required to provide proof of such civil leave before compensation is approved by the Department Head/Director. Leave for court attendance when the employee is engaged in personal litigation shall be charged to annual leave.

Section 9 - Leaves of Absence Without Pay

- (a) Family & Medical Leave Act (FMLA)

In compliance with the Family and Medical Leave Act of 1993, eligible employees are entitled to up to 12 work weeks of unpaid leave for certain family and medical reasons during a 12 month period. Eligible employees are those who have been employed by the City for one year and have worked for at least 1,250 hours immediately preceding the commencement of the leave requested. The employee must not have used all available FMLA leave in the 12 months preceding the date on which the requested leave will begin.

FMLA leave may be taken for any one or a combination of the following: to care for the employee's child after birth ; the placement of a child with the employee for adoption or foster care; to care for the employee's spouse, son, daughter or parent who has a serious health condition; for the employee's own serious health condition which makes the employee unable to perform one or more the essential functions of the employee's job; and/or for qualified exigencies for an employee's spouse, son, daughter or patient who is a member of the Armed Forces on active duty or who is called to active duty in support of a contingency operation, as that term is defined by statute. Leave may be taken for birth or placement of a child only within 12 months of that birth or placement. An eligible husband and wife who are both employed by the City who wish to take leave for the birth of a son or daughter, for the placement of a child with them for adoption or foster care or to care for a parent with a serious health condition are limited to a combined total of 12 workweeks during any 12 month period. If the leave is requested because of a serious health condition of the employee's son or daughter, of the employee him/herself, or of the employee's spouse, each spouse is entitled to 12 work weeks of leave.

In addition to the basic FMLA leave entitlement discussed above, an eligible employee who is the spouse, son, daughter, parent or next of kin of a covered servicemember (a current member of the Armed Forces who is undergoing medical treatment, recuperation or therapy or is in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness), is entitled to take up to 26 workweeks of unpaid leave during a single 12 month period to care for the servicemember with the serious injury or illness.

An eligible husband and wife who both work for the City will be limited to a combined total of 26 workweeks for the above-referenced military caregiver leave during any 12 month period.

After all paid leave is exhausted, the City will provide enough unpaid leave to total 12 weeks. This leave is not automatic. It must be applied for on the form provided by the Human Resources Department. A request for leave due to a serious health condition of the employee or the employee's spouse, son, daughter or parent must be supported by a medical certification on the form provided by the Human Resources Department, which form must be completed by the health care provider of the employee's spouse, son, daughter or parent within 15 calendar days of the request. FMLA leave may be delayed or denied until the required certification is provided.

FMLA leave may be taken intermittently or on a reduced leave schedule when medically necessary due to a serious health condition of the employee or covered family member or the serious injury or illness of a covered servicemember. Leave in connection with birth, adoption or foster placement of a son or daughter may not be taken intermittently unless the Department Head/Director and the Chief Human Resources Officer agree to

such an arrangement. However, the employee may be required to transfer temporarily to an alternate position with equivalent pay and benefits that better accommodates periods of recurring leave than the employee's regular position. The City's agreement is not required for intermittent leave during which the mother has a serious health condition in connection with the birth of the child, or if the newborn child has a serious health condition.

During FMLA leave, the City will maintain the employee's health insurance under the same terms that the coverage would have been provided had the employee not taken the leave. If an employee's contribution is more than 30 days late, the City may terminate the employee's insurance coverage. Prior to such termination, the City will provide written notice to the employee that the payment was not received and that coverage will terminate on a specified date (at least 15 days after the date of the written notice unless payment is received by that date). The City shall not, however, continue to pay life insurance or other non-health benefit premiums during the unpaid leave.

As with other unpaid leave, the employee will not continue to accrue sick leave, vacation or any other benefit.

If an employee voluntarily fails to return from leave, the City shall recover from the employee the cost of health insurance premiums paid by the City for the employee during the leave.

Upon return to work from Family & Medical Leave, the employee may return to his previous position or may, at the City's option, be placed in a position equivalent in pay, benefits and other terms and conditions of employment. The employee's restoration rights are the same as they would have been had the employee not been on leave. Thus, if the employee's position would have been eliminated or the employee would have been terminated but for the leave, the employee shall not have the right to be reinstated upon return from leave.

If the City has reason to doubt a certification, it may require (at its own expense) that the employee obtain a second opinion from another health care provider who is not employed by the City. In the event of a conflict between the two opinions, the City may require (at its own expense) a third, which shall be binding upon the City and the employee. The third doctor shall be jointly selected by the City and the employee.

The employee is required to provide the City with at least 30 days' notice of his/her intention to take FMLA leave when the leave is foreseeable. If this is medically not practicable, the employee must provide as much notice as is practicable.

Prior to returning to work, employees who took FMLA leave due to their own serious health condition may be asked to provide medical authorization for return to work. The Department Head/Director may require employees on leave to report their medical status and anticipated date of return at specified intervals.

(b) Special Leave

The Department Head/Director may authorize leave without pay to a regular full-time employee up to 30 days for reasons which do not affect the City operations. The City

Manager may authorize special leave without pay beyond this time, but not exceeding three (3) months for any reason deemed to be in the best interest of the City, except a non-service injury or illness may be extended to one (1) year after accumulated sick leave and annual leave have expired if it does not create a hardship on the departmental work load.

No seniority or other benefits shall be lost because of leave of absences up to 30 days. For leaves of absence over 30 days, an employee cannot accumulate any benefits during that time, except in unusual cases as determined by the City Manager. An employee shall return from an extended special leave (over 30 days) to the same step and salary grade previously held, although the anniversary date shall be adjusted accordingly.

(c) **Absence Without Leave**

An absence of an employee from duty, including any absence for a single day, that is not authorized by a specific grant of leave of absence under the provisions of these rules, shall be deemed to be an absence without leave. Any such absence shall be without pay and may subject the employee to disciplinary action, including suspension, demotion or dismissal in appropriate cases.

The absence of any employee from duty for three successive work days or longer without notice to his Department Head/Director or Supervisor of the reason for such absence and his intention to return, shall be considered in effect a voluntary resignation without notice.

Failure of an employee to report for work at the expiration of a leave of absence or vacation, or upon the physician's return to work release for full or light duty in cases of work related injuries, shall separate the employee from the City's service and shall be considered in effect a voluntary resignation without notice.

Article 25 **Longevity Allowances**

Section 1 – Longevity Schedule pre 7/15/10

The following longevity allowances shall be awarded to regular, full-time employees hired prior to July 15, 2010 who were eligible for a longevity allowance as of that date. Longevity allowances shall be awarded in the following manner as long as the stipulations stated above have been complied with:

- After completion of 5 years' continuous service - 2% of annual salary.
- After completion of 10 years' continuous service - 4% of annual salary.
- After completion of 15 years' continuous service - 6% of annual salary.
- After completion of 20 years' continuous service - 8% of annual salary.
- After completion of 25 years' continuous service –10% of annual salary (minimum of \$1,000).

These longevity allowances shall be paid to the employee by adding same to the regular paycheck of the employee.

Section 2 - Longevity Freeze

Longevity allowances provided for in Section 1 above shall be frozen effective with the first day of the first full pay period beginning after July 15, 2010, which date shall be known as the "freeze date." Regular, full-time employees not receiving a longevity allowance pursuant to Section 1 above as of the "freeze date" shall not receive a longevity allowance pursuant to Section 1 above, but only pursuant to Section 3 *below*. Employees receiving a longevity allowance pursuant to Section 1 above as of the "freeze date" shall continue to receive the same longevity allowance until such time as the longevity allowance to which the employee would be entitled under Section 3 *below* exceeds the employee's longevity allowance under Section 1 above. Effective with the first full pay period beginning on or after the date on which the employee's entitlement to longevity benefits under Section 3 *below* exceeds the employee's longevity allowance under Section 1 above, the employee shall begin to receive the longevity allowance provided for in Section 3 *below*.

Section 3 - Longevity Schedule post 7/15/10

The City longevity plan for all regular, full-time employees hired on or after July 15, 2010, shall be as follows:

After completion of 10 years of service - \$1,200 annually. After completion of 15 years of service - \$1,800 annually. After completion of 20 years of service - \$2,400 annually. After completion of 25 years of service - \$3,000 annually.

These longevity allowances shall be paid by the City by adding same to the regular weekly or biweekly pay of the employee.

Article 26 **Wages**

Section 1 – Cost of Living Adjustments

Effective October 1, 2017, all bargaining unit employees shall receive a two and one-half percent (2.5%) increase to their respective base hourly rates. This pay increase will increase the minimum and maximum pay for each classification.

Section 2 – Merit Pay

Article 30 **Workplace Violence Prevention**

Employees while on duty are at all times individually responsible for conducting themselves in a professional and ethical manner. They are expected to treat co-workers and members of the public with respect and dignity. The intent of this policy is to make a clear statement that workplace violence, unprofessional and abusive behavior will not be tolerated in the workplace. With respect to the seriousness of this problem, the City has adopted a “zero tolerance” for incidents of workplace violence.

Purpose

To clearly set forth the City’s position as it relates to violence or the threat of violence in the workplace. The purpose of this policy, coupled with training requirements, is: to increase employee awareness of the problems associated with incidents of workplace violence; to communicate the seriousness of acts of violence in the workplace; to

minimize threats from both internal and external customers; to provide employees with a workplace that is relatively free from recognized hazards that are likely to cause death or serious physical/psychological harm; and, to establish systems for a proactive approach regarding workplace violence that could occur within the City.

Definitions

Workplace violence includes, but is not limited to physical attacks, threatening behavior, harassment, or property damage. Listed below are some examples of workplace violence, their definitions, and the City's position:

- (1) Physical Attacks – unwanted or hostile physical contact with another person, (i.e. beatings, stabbing, suicides, near suicides, shootings, rapes, etc.).
- (2) Threatening Behavior – the expression of an intent to cause physical or mental harm or psychological trauma, (i.e. verbal abuse, obscene phone calls, etc.).
- (3) Harassment – involves acts or language (written or oral) by a party designed to damage or harm a second party, often involving verbal abuse.
- (4) Property Damage – damage to property which includes property owned by the City.
- (5) Deadly Weapons – includes all firearms, such as handguns, rifles, shotguns, explosive devices. Other objects or tools such as knives and other cutting utensils, bows and arrows, bats, brass knuckles, mace, pepper spray, tear gas, or tools such as axes, screwdrivers, hammers, may be considered deadly weapons when used in a violent, threatening, aggressive or offensive manner.
- (6) Zero Tolerance – All reported incidents shall be investigated and action taken upon the results of the investigation. Employees at all levels are cautioned that appropriate action may include immediate termination after a first offense if just cause can be established.

Management Commitment

Violence in the workplace shall not be tolerated, and every effort shall be made to prevent violent incidents from occurring. This shall be accomplished by implementing a Workplace Violence Prevention Program/Policy that provides training and holds managers, supervisors, and employees accountable for their actions. All employees, and especially Department Head/Directors, managers, supervisors, law enforcement personnel, and employee organization representatives are obligated to act individually and collectively to prevent, defuse, or mitigate actual or threatened violent behavior at work. The City is committed to full cooperation with law enforcement agencies to support criminal prosecution of any employee within or outside this organization who commits violent or threatening acts against the City. A copy of the City's policy on Workplace Violence Prevention will be distributed to all employees at mandatory training seminars and, in the case of newly-hired employees, they will be given specific instructions during orientation.

Responsibilities

The Chief Human Resources Officer is designated as the City's Critical Incident Coordinator. The Coordinator is responsible for the coordination of the response to acts or threats of violence under this policy. The Coordinator may assemble Department Head/Directors, managers, supervisors and other employees as deemed appropriate to

constitute a Critical Incident Response Team. The Team may include a representative from the Human Resources Department, law enforcement agencies, Department Head/Directors and others as selected by the Coordinator. The Coordinator is expected to assemble the Team, take action to manage the incident, and implement the City's Workplace Violence Prevention Policy. The Coordinator shall arrange the appropriate meetings, provide communication resources, reporting, record-keeping and training. As such, with all the above in place, the Team is enabled to assume its role in the response to violent incidents in the workplace efficiently and effectively.

Responsibilities of Critical Incident Coordinator

Receive reports of workplace violence incidents from Department Head/Directors, managers, supervisors and employees. Immediately provide a briefing on the incident report to the City Manager. Make sure that records are maintained of the reported incident(s) of workplace violence.

Make certain, insofar as possible, that employees do not experience retaliation for reporting incidents of workplace violence.

Advise employees who seek assistance regarding violent behavior and make appropriate referrals. Directly refer an employee who does not seek assistance also. For example, employees may be referred to the Employee Assistance Program (EAP) or a medical professional.

Perform investigations and provide written recommendations to the City Manager, City Attorney, Department Head/Directors, outside attorney(s), and other Management representatives.

Protect the confidentiality of workplace violence incidents as best as possible.

Responsibilities of Department Head/Directors, Managers, and Supervisors

Have a professional responsibility to be held to a higher standard in setting positive examples to maintain a workplace free from violence or the threat of violence by their own behavior and demeanor at work.

Report workplace violence incidents immediately to one of the following: Department Head/Director, Deputy or Assistant Department Head/Director, manager, supervisor or any Management representative as is deemed appropriate.

Document workplace violence incidents and report them to the appropriate staff.

Make certain, insofar as possible, that employees do not experience retaliation for reporting incidents of workplace violence.

Comply with all City and City Department procedures/guidelines relative to workplace violence prevention.

Training

The Human Resources Department shall seek to provide training that will bring awareness and convey the ramifications of workplace violence acts, and communicate clearly the City's position on workplace violence prevention.

Assist with the developing, implementing, and delivering workplace violence prevention training for all City employees. Training on workplace violence will focus on avoiding and preventing workplace violence related incidents. The training shall be of sufficient length to address key areas as listed below.

- City and City Department policies and procedures regarding workplace violence
- Risk factors that cause or contribute to assaults
- Abusive language, behavior, body language
- Recognition of escalating behavior
- Recognition of warning signs/situations that may lead to assaults
- Multicultural diversity/sensitivity
- Dealing with hostile people
- Crisis Intervention techniques
- Coordination of appropriate assistance with affected parties, such as victims, employees, or law enforcement personnel
- Assessment of an employee's fitness for duty through medical professionals

Incident Reporting

Any employee who becomes aware of an incident of violent behavior, whether the incident is committed by another employee or an external individual such as a customer, vendor or citizen must report it to the Department Head/Director or appropriate Management representative.

In the cases of critical incidents in which serious threats or injury occurs with internal or external customers, call 911 immediately to obtain emergency responders such as Police and Fire Rescue personnel.

Protection from Retaliation

Employees who are aware of a workplace violence incident, threat of violence, or an incident that is about to take place, have an obligation to report that information to a supervisor, manager, or Department Head/Director.

Any employee who acts in good faith in reporting threats or acts of violence under this policy will not be subjected to harassment or retaliation as a result of such a report. Any retaliation or harassment must be reported immediately to the Department Head/Director and/or to the Chief Human Resources Officer. An investigation will be conducted and completed in a prompt manner. Immediate action will be taken.

Ban on Deadly Weapons

Possession, use, or threat to use a deadly weapon, including but not limited to all firearms and explosive devices, by a City employee is forbidden at any City job site, on City owned, leased or rented property, the beach, in City vehicles, or in private vehicles parked on City property. An exception is made when possession or use of such a weapon is necessary and is a City requirement of the job, such as with law enforcement officers. City employees who carry a concealed firearm, or other weapon, for a lawful purpose within the interior of their private vehicle, must have the weapon securely encased or otherwise not readily accessible for immediate use. Employees have a responsibility to notify their immediate supervisor about their weapon.

The City can request the cooperation of an employee to conduct a search of personal property such as packages, briefcases, purses and similar containers as well as private vehicles parked on City property if there are reasonable grounds and a credible witness(es) who believe that an employee may be in violation of this policy. Employees who are unwilling to have personal property searched must immediately remove said property from City premises if ordered to do so. Refusal to comply with an order to remove personal property from City premises may result in disciplinary action.

City supervisory and managerial staff have a right to enter or search City property with or without prior notice. City property includes desks, lockers (even with privately owned locks), office equipment such as copiers, fax machines, computers, telephones, and E-mail. As a consequence, any area is subject to monitoring and/or search. Any misuse of City property in connection with an act or threat of violence may be used in support of disciplinary action or criminal prosecution even following a first offense.

Restraining Orders and Injunctions

Cases of City employees involved in personal disputes with internal or external individuals at times can escalate to the point where the issuance of injunctions, restraining orders, and other Court Orders are sought.

In order to maintain the safest possible work environment, employees should include their work locations upon the issuance of any restricting Court Order. Employees are encouraged to inform the Chief Human Resources Officer as well as their supervisors immediately in these cases and provide a copy of the Order to the Human Resources Department. Even in the case where an employee has not yet secured a Court Order, but has reason to fear for his/her personal safety, reporting of these concerns to the supervisor, manager, Department Head/Director, or the Chief Human Resources Officer is of great importance.

Coping with Workplace Violence Incidents / Additional Guidelines

The best method to cope with workplace violence is to avoid situations where violence is likely to occur. That is, with the expectation that all employees will conduct themselves in a professional, courteous and respectful manner at all times.

Department Heads/Directors, managers, and supervisors faced with a potentially violent situation should not allow a verbal altercation to escalate into a more serious situation.

When confronted with a violent situation between two (2) employees, an attempt should be made to separate the two people unless the manager or supervisor feels that other individuals would be endangered by such action.

If a violent or volatile situation occurs, call "9-1-1" immediately and thereafter, contact the Critical Incident Coordinator and the Department Head/Director involved.

Once the immediate situation is controlled, the Critical Incident Coordinator, in cooperation with the Department Head/Director, law enforcement, and others as needed, will conduct an investigation into the incident. The investigation shall include interviews with all parties involved and any witnesses, as well as obtaining written statements. Employees who are involved in such an investigation are required to cooperate.

The Department Head/Director or his/her designee may order that the parties leave the work site immediately, with or without paid leave, depending on the circumstances and pending completion of the investigation. The Department Head/Director shall contact the Critical Incident Coordinator for guidance on the appropriate method for such immediate action.

Employees involved in a workplace violence situation are entitled to be represented by IUPAT or counsel during the interviews or meetings. The Critical Incident Coordinator will also provide Department Head/Directors with advice in cases where this policy has been violated and the employee is subject to possible disciplinary action.

Should an employee become the victim of an incident of workplace violence, the Critical Incident Coordinator or other authorized City Management representatives may offer the services of the Employee Assistance Plan (EAP) or other medical professionals to assist in coping with any effects of the incident.

In cases where employees violate this policy and it is determined in the investigation that the employee did in fact, commit a violent act, he/she may be formally referred to the EAP or a medical professional by the Critical Incident Coordinator (Chief Human Resources Officer) or other authorized City Management representatives. The purpose of the EAP or medical professional referral is to determine the employee's psychological fitness for duty to perform his/her City job responsibilities. A return to work evaluation and release will be required through a medical professional. Unless mitigating circumstances exist, failure by the employee to keep any appointment with the EAP or the medical professional could result in disciplinary action up to and including termination.

Post Incident Response

Post incident response involves taking care of injured and/or affected employees and providing treatment for victims and employees who may be traumatized by involvement or by witnessing a violent incident. Department Head/Directors, managers, and supervisors are responsible for ensuring that the injured employees receive prompt medical attention if needed. Counseling shall be made available to victimized employees through the EAP or medical professionals as is deemed appropriate.

Record Keeping

Record-keeping is of the utmost importance to the success of a workplace violence prevention program or policy. Maintaining good records is essential for evaluation, and is absolutely critical in determining the severity of problem areas, reviewing preventative actions, identifying trends, and helping to measure the success of workplace violence prevention initiatives. The confidentiality of workplace violence incidents will be maintained consistent with Florida Public Records Law.

Disclosure Statement

Employees who plead guilty, or nolo contendere (i.e., “no contest”), or who are convicted of felonies or misdemeanors (involving use of a weapon or physical violence), are required to disclose this information to their Department Head/Directors and the Chief Human Resources Officer within five (5) calendar days of the date of the Court action. This disclosure requirement applies even if the action took place in another State.

The policies established by this ordinance shall not be applicable to bargaining unit members until such time as the City has obtained a consent and waiver from the members’ union(s) to implement the policy as to their members or until the bargainable aspects of the policy have been resolved by bargaining or impact bargaining, if timely demanded by IUPAT.

Article 31 **Pension Benefits**

Section 1 – Pension Benefits

The City provides pension benefits for full-time permanent employees as set forth in Section 54- 136 through 54-228 (defined benefit plan), and 54-331 and 54-332 (ICMA plan). All full-time employees of the City after January 1991 shall only be entitled to the pension benefits under the ICMA plan. Other employees who have previously timely elected to participate in the pension benefits provided for in the defined benefit plan may continue their participation in that plan.

Article 32 **Duration**
