

Building Permit Application Checklist for Docks

Please verify that your permit application package contains all applicable items required for permit issuance and initial that it is in the package.

- Complete Permit Application, reflecting total job value (provide copy of job cost estimate)
- Complete Sub-contractor applications, as applicable
- Approval by all required outside agency's (e.g. Broward County DER, SWFMD, Army Corp of Engineers...)
- Longshoreman Insurance, as required per the Department of Labor section 932 of the Longshore Act
(NOTE: This is a Federal requirement for working over navigable waters, State Worker's compensation is only a State Requirement and does NOT satisfy the Federal requirement)
- Two (2) sets of plans (signed and sealed by designer, as required by code)
- Two (2) surveys
- Copy of recorded Notice of Commencement
- Home Owner Association Affidavit, as applicable
