Vendors may start breaking down at 9:00 PM however, vehicles will not be permitted in the vendor area until 9:30 PM and attendees have cleared the area. The City of Deerfield Beach will have the final decision on this safety precaution and may change breakdown hours depending on circumstances.

FOOD PRODUCTS

Only the food items stated on the application and approved by the City of Deerfield Beach may be sold at the event. Food vendors will receive written confirmation on the items approved for sale. The City of Deerfield Beach reserves the right to refuse the sale of any items not specifically listed and approved or to refuse the sale of any item not in the best interest of the event or cease the sale of any food product found not to be safe for public consumption.

To the best extent possible, food items will not be duplicated. If a vendor wishes to add an item after their application has been approved, they must call the Vendor Coordinator to confirm and receive additional approval.

APPLICABLE LAWS & REGULATIONS & INSPECTIONS

A copy of the Florida Department of Business and Professional Regulations (DBPR) Guide to Temporary Food Service Events is attached to these terms. It is each vendor's responsibility to read this guide. The DBPR will be on site Saturday, November 16th to conduct an inspection of all food vendors booths. No vendor will be allowed to sell food until they pass inspection. The Fire Department will also be conducting an inspection of tents, electrical cords and cooking equipment. Each vendor space must have an up to date fire extinguisher for the Fire Department inspection. All equipment must comply with both state and local regulations and all food service must comply with Health Department regulations.

CLEAN-UP

Vendors are responsible for the complete clean-up of their space and disposal of all trash and debris. Disposal of oil and grease is **absolutely** prohibited on site. Vendors must leave the asphalt as they found it when they set up and take all measures to prevent grease, oil and food drippings from dropping on and accumulating on grass/asphalt. Failure to comply may result in exclusion from future City of Deerfield Beach events.

BEVERAGES

Vendors are prohibited from selling any alcoholic beverages. Vendors may sell sodas, juices, water, coffee/tea and sports drink type beverages. Smoothies, ice cream-based drinks, shaved ice, snow cones and slushy type drinks are considered specialty items and are subject to exclusivity.

LICENSURE

In accordance with the Florida Department of Business and Professional Regulation's Guide to Temporary Food Service Events, food vendors may operate under a current license from the DBPR or from the Department of Agriculture and Consumer Services at temporary food service events of 1-3 days. Vendors should be prepared to show a copy of their license to the inspector to pass inspection. Vendors must also send a copy of their license with their application.

Temporary food vendors without a current Florida license, which includes all out of state vendors, will be required to purchase a temporary license directly from the DBPR inspector for \$91.00 prior to selling any food. The DBPR does not accept cash payments. It is solely the responsibility of the food vendor to pass inspection. Refunds will not be given to any vendor not passing inspection.

FOOD VENDOR TERMS & CONDITIONS (continued)

SALES TAX

All groups doing business in Broward County are responsible for paying the [Local Business Tax](#). In addition, vendors are solely responsible for paying all applicable Florida state sales tax.

TRUCK/TRAILER PARKING & EMPLOYEE PARKING

Parking is extremely limited at the event. There are no accommodations for RVs, POP-UP CAMPERS, LARGE TRUCKS, TRAILERS OR VEHICLES REQUIRING MORE THAN ONE SPACE TO PARK. Each food vendor will be given a total of two vendor parking passes regardless of space size to use during the event, and this includes any refrigerated or supply [vehicle](#). a vendor needs to be placed in the parking area. Each vehicle must be able to fit in one regular parking space. Vendors with multiple employees should encourage their employees to park in public parking. Additional parking passes may be purchased for \$25.00 per parking pass.

TENTS

Vendor owned tents must conform to booth size. Construction of booth and displays must be able to withstand inclement weather and crowd activity. Tents must be manufactured of flame-retardant materials. Each tent leg must be weighed down in some form or another. Leg weights are essential due to the location of the event.

The contents of the booth cannot go beyond the assigned exhibitor booth space. Your booth should not interfere with your neighbor's booth.

RESTRICTIONS

The City of Deerfield Beach only allows items to be sold from the front or crowd side of the vendor space. Displaying and selling food from the back of the tent (the sidewalk side) is strictly prohibited. This forces crowds to have to maneuver around electrical hook-ups, cords, etc. and represents a safety hazard. Vendors may only sell food within their tent. It is prohibited to walk through the crowd or near the stage to sell food or other items.

POWER

Electric power is provided for tented food vendors. We will do everything possible to accommodate everyone's needs but there are limits to how many cords can be plugged into the portable electric connection boxes. Vendors should bring, at a minimum, a [50 foot](#) extension cord. Please ensure cords, plugs and equipment are up to code and will pass the Fire Department inspection. You must supply your own electric cord for plug in. Lighting/electricity for the inside of your tent must meet the following specifications: no metal clamps, no flat cords, only 12-gauge round cords and only UL approved outdoor grounded cords may be used. All power cords must be taped down.

ICE

Bags of ice will be available for purchase at \$10.00 each (cash only) during the event. Simply flag down an event staff member and we will deliver the ice to you.

PUSH CARTS

Push carts will be located in assigned areas throughout the food vendor area and must be completely self-contained. Only umbrellas (NO tents) are allowed over push carts. There is no electric provided or available for push carts.
